

NOV MEETING MINUTES

By Linda Strain, Secretary

The November 1, 2012 meeting of the Salt Creek Sports Car Club held at the Brick House in Downers Grove was called to order by Vice President, Jared Cromas at 8:10 pm.

Per message from President, Brian Vorpahl, has the renewal for the Illinois not for profit status. Jason will send a check for \$10 for the renewal.

Vice President: Jared Cromas—No report.

Secretary: Linda Strain—October meeting minutes not yet published.

Treasurer: Jason Strain—Bob Humphrey had the generator serviced for \$106 & CIR charged our entire deposit for the annual dinner banquet for \$1450.65 instead of one half the deposit. The treasury is down \$1056.99 for the year as of Nov 1 including \$1300 loss on parking lot autocross & \$700 profit for Blackhawk weekend. Jared asked if want to donate towards Council dinner beverage; some discussion and voted to donate up to \$250.

Trophies: Jason Strain—There are enough trophies for parking lot events for the year as ordered Blackhawk weekend trophies that could be used for that weekend and leftover for autocross events. Will use same design as last year for Annual Dinner Awards & will order in early January.

Membership: Nelson Santos—Same membership as last month—83 members.

Steward/Competition: Jared Cromas—Has proposed dates for Council race weekends—some discussion on weekend choice that will be at December meeting. Council Banquet will be January 12 at Indian Lakes in Bloomingdale. Nominations for council officers are open for nominations. Election will be at December meeting. Has list of proposed autocross rules to read. Vote will be at December meeting. IT proposed rules are on council website.

Points: Jared Cromas—Member of Year (not final) are Bob H., Jason S., Jared C.; Racer of the Year-- Jared, Jeremy Elliot, Bryan Duncan; HSAX—Mark, Brad & Rob S. are in 3 way tie for 1st; parking lot autocross will be recalculated to use all 3 events.

Publicity: Kevin Dierking—No report.

NOV MEETING MINUTES

By Linda Strain, Secretary

Newsletter: Kevin Dierking—There was a suggestion that officers send report directly to website. Some discussion about newsletter as more time consuming than some jobs.

Website: Kevin Dierking—Moving along. Need updates as many things old items such as Brian's column from Feb 2012. Have added extensions to website and now can add videos on Quick tour.

Events: Bob Humphrey—Bob made a proposal to do self teching for parking lot autocrosses as most other clubs have been doing for awhile. Some discussion—most agreed that would free up staff and still be able to help newer entrants if needed. Bob made another proposal to go to online registration. Probably use Myautoevents with a \$35/event fee to list and/or take payment online which has a fee of \$1.50 + 3%. Some discussion and general agreement that would be easier to get entrants entered on computer on event day.

Old Business: None

New Business: Kevin donated a notebook style laptop for autocross, although we will need to update our software. The price for update is about \$450. Bob made a motion to buy upgrade, Jason 2nd. Some discussion. Motion passed. Will still use old laptop as "score board"/backup. Bob suggested that we need back up gate for timer as would not be able to finish event if someone hit the timing gate at start/finish. The cost would be about \$475. No action taken after some discussion.

Contact Salt Creek pointskeeper (mc-integra111@sbcglobal.net or 630-505-7913) for any questions or to report a possible error.

Note: I made an error last month with the autocross points calculations. When there are only 3 events, all 3 events count (i.e. no drops). My equation was still dropping an event. Therefore, the results of last month were not correct, even though they were labeled as final. The current results are the correct final results.
